After Delhi govt protests, L-G tweaks quarantine rule

ONLY THOSE WITHOUT FACILITIES AT HOME TO ISOLATE INSTITUTIONALLY

RESERVATIONS RESOLVED, SAYS DY CM SISODIA

PRESS TRUST OF INDIA
New Delhi, 20 June

Only those Covid-positive patients who don't require hospitalisation on clinical assessment and who don't have adequate facilities for home isolation will need to undergo institutional isolation, Delhi Lt Governor (L-G) Anil Bajjal said on Saturday.

His statement came following protests by the Arvind Kejriwal-led Delhi government against his order mandating five-day quarantine for all Covid-19 patients.

The order had been opposed by the chief minister and his deputy Manish Sisodia at a meeting of the Delhi Disaster Management Authority (DDMA) on Saturday.

"Regarding institutional isolation, only those Covid-positive cases which do not require hospitalisation on clinical assessment & do not have adequate facilities for home isolation would be required to undergo institutional isolation," the LG said on Twitter after the meeting.

In another tweet, he said the DDMA approved recommendations of a high-level expert committee for fixing subsidised rates for Covid-19 treatment in Delhi's private hospitals.

Earlier in the day, Delhi Chief Minister Arvind Kejriwal opposed Lt Governor Anil Bajjal's order for a five-day mandatory institutional quarantine for Covid-19 patients, asking why was a separate rule being applied for the city, sources said.

In a series of tweets on Saturday, Sisodia had said that no consensus had been reached in an earlier meeting on the LG order and the rate of private hospital beds, and another meeting will take place at 5 pm in the evening.

Sisodia said after the meeting that the

LG's reservations over home isolation were resolved in the SDMA meeting and the home quarantine system will continue.

Sisodia said the meeting also decided that a maximum of 60 per cent beds of private hospitals will be used for Covid patients and of those, all will be subsidised.

Economic recovery: Still a long way to go

Prime Minister Narendra Modi, in his recent remarks, said that green shoots have started appearing in the economy. He based his assessment on power consumption, fertiliser sales, kharif sowing, exports, and digital payments in retail among a few other developments. Adding some more parameters such as petrol consumption, purchasing manager's index for both manufacturing and services, and e-way bill generation shows a mixed bag for the economy. Fertiliser sales and kharif sowing show green shoots in the economy. However, agriculture was expected to be the only silver lining in the economy in the current

financial year anyway. Generation of e-way bill also indicates greater consumption of goods. Digital payments in retail are yet to come to the pre-Covid levels. There is a contraction in power demand year-on-year. Exports have also started reducing. The PM referred to an absolute level of exports, saying this has reached the level of the pre-Covid period. Exports stood at \$19.05 bn in May, against \$27.65 billion in February, a month before the lockdown was announced. It stood at \$21.41 bn in March, which is what the PM probably referred to.

Pak drone loaded with arms shot down by BSF in J&K

A Pakistani drone loaded with a sophisticated rifle and some grenades was shot down by the Border Security Force (BSF) along the international border in Kathua district of Jammu and Kashmir (J&K) on Saturday, officials said.

This is the first such incident in the Jammu region when a drone carrying arms and explosives was shot down by the BSF, frustrating Pakistan's attempt to smuggle the weapons into the Union Territory using the flying machine.

The 8x8 drone (from blade to blade) was spotted hovering in the skies by a BSF party at Rathua village in the vicinity of Border Out Post Pansar around 5:10 am, the officials said.
